

Our Vision:

At Berea Friendship United Methodist Church our vision is to strengthen and encourage our faith journey with others to build meaningful relationships and making disciples of Jesus Christ.

To reach this vision we will:

- enhance and expand worship experiences that honor God and inspire us to be a people of service
- reach out into our community to engage in mission ministries where God is calling us to serve
- create a collaborative culture between the pastor and laity that is committed to the mission and vision of the church
- develop our faith journey through small group experiences
